

**ENGINEERING AND LAND SURVEYING
EXAMINING BOARD[193C]**

Adopted and Filed

Pursuant to the authority of Iowa Code section 542B.6, the Engineering and Land Surveying Examining Board amends Chapter 2, “Fees and Charges,” Iowa Administrative Code.

This amendment updates the administrative fee structure for engineers and land surveyors. The \$25 application fee to take the Fundamentals of Engineering examination and the \$30 application fee to take the Fundamentals of Land Surveying examination are being eliminated. These fees were paid to a third-party examination administrator. That administrator is no longer in service to the state; therefore, the fees are not needed. The \$45 application fees to take the Principles and Practice of Engineering and the Principles and Practice of Land Surveying are both being increased to \$100. These fees are paid directly to the Board for the service of processing and approving applications. This service is time-intensive, and the increase is in keeping with the amount that an outside vendor would charge for the service.

Notice of Intended Action was published in the Iowa Administrative Bulletin on December 16, 2009, as **ARC 8393B**. This amendment is identical to that published under Notice of Intended Action.

This amendment is subject to waiver or variance pursuant to 193—Chapter 5.

This amendment was adopted by the Board on January 21, 2010.

This amendment shall become effective April 14, 2010.

This amendment is intended to implement Iowa Code section 542B.30.

The following amendment is adopted.

Amend rule 193C—2.1(542B) as follows:
